

# South View Middle School

---

*Strength ▪ Vision ▪ Motivation ▪ Scholarship*

## **Mission**

The focus and commitment of SVMS is to create an environment where all students will have opportunities to reach their potential academically, socially and emotionally. Our environment will be safe, caring, and nurturing, one where all students are provided opportunities to acquire and develop skills necessary to be productive members of society. Students are encouraged to exhibit pride, enthusiasm, responsibility and accountability. Strong parental and community involvement will be an integral part in this ongoing endeavor.

## **Vision**

Pursuing excellence, quality education, and life-long learning.
